The *Intelligent* Portable Food/Cheese Analyzer

... For Analysis...Where you need it most...When you need it most™

Up to a
33%
Increase in Accuracy*

NEW

Protein, Moisture,
Fat Analyzer

Zeltek
Inc.

The Portable Food/Cheese Analyzer Designed to Improve Your Profits!

*On-The-Spot Data To Help You Manage Production, Control Food Quality,
and Increase Profits!*

The ZX-550 IQ is lightweight and completely portable, allowing analysis at the receiving dock, on the production line, or in the lab. Using Zetlex's patented, proven technology, the ZX-550 IQ requires no special skills. Simply place the product to be analyzed into the sample holder, and insert it into the analyzer. Once activated, the ZX-550 IQ Food/Cheese Analyzer quickly measures your product, and, in less than a minute, provides an easy-to-read display on the analyzer's built-in LCD display.

- Accurate Protein, Moisture And Fat Results In Less Than A Minute.
- AA Battery Or A/C Powered
- Little Or No Sample Preparation
- Reliable, Solid State Design
- Reliable, Proven Totally Solid State Design
- New Intelligent Firmware and Software

Combining the proven solid state design of the ZX-550 IQ Portable Food/Cheese Analyzer with the latest improved prediction firmware and software, the ZX-550 IQ offers up to a 33%* increase in accuracy, giving our customers true lab accurate analysis, where they need it most, when they need it most!

*compared analysis with and without the ZX-550 IQ intelligence firmware
